Two lucky Premium Patrons will win the full set of the Gothic Dragon! The Gothic Dragon is a set of medieval themed papercraft dragons, instructions for a 3-D version, a large set of colour sheets, four watercolours and a notebook with a lot of useful information. It's a collaborative project between Club Penguin's web developers and the talented duo of the Gothics. All the parts are designed, cut and assembled into the statues by the original sculptor of the Gothics, Gaston. "The whole Gothic Dragon project started just by wanting to make a dragon figure but with different colors and features," said Gaston. "I'm very happy about the final outcome, even if it took me a little more time than expected." So what are you waiting for? We're confident that you won't be disappointed if you choose to pledge your support to the development and the arts of Club Penguin by becoming a Premium Patron. was a mountain to climb.
